CUSTOMER SPEAK

We believe is providing our products and services that always exceeds customer expectations.

Most of our customers speak good about us. Some of them are given below:

We are very pleased with Edu Furnitures. Over the years I have worked with several school furniture suppliers but I was thrilled with the level of customer service provided by Edu Furnitures. Having the promoter onsite during the install was fantastic and I hope to have a chance to work with him again

Ramakrishna Mission

My experience with Edu Furnitures was wonderful. The whole process of sampling, customising, ordering was easy, the product arrived quickly and is of unbeatable quality

Delhi Public School

Thank you Edu Furnitures for your outstanding service and quality products. We have ordered many pieces of furniture for our classrooms and labs, and have found them to be attractive and well built. We will continue to do business with this fine company. Thank you for your quick and friendly service!

Delhi International School

We are a start-up k-12 school. Placing orders with Edu Furnitures has been a joy. The promoters dedicated, innovative in their approach, and committed to making the best possible customisation for our school. We got the furniture that fit with our goals. Thank you for a great experience!

Mount Litera Zee School

We have beautiful and comfortable furniture in our school from Edu Furnitures. When there are issues, the company has been very proactive in addressing them. We appreciate and value our association with Edu Furnitures.

Aster Group of Institutions

We are all so pleased to have Edu Furnitures as the furniture supplier for our school renovation project. Your quality is impressive, and services equally impressive.

Bal Bharti Public School

OUR GROUP

At Edu Furnitures, we design, manufacture and assemble our products at state-of-the-art facilities in New Delhi India. We have in-house product designers who are experts in arriving at contemporary design solution to meet the specific requirements of both the students and various educational institutes.

Entire manufacturing processes - from metal fabrication and woodworking, to plastic injection molding, powder coating and chrome plating - are done at our two workshops in New Delhi.

Indian consumer protection laws and world safety standards contribute to Edu Furnitures tested quality. Our products stand the test of time: proof that we design, manufacture and assemble with the safety of children in mind.

Over a period of one decade, we have provided custom solutions to a host of schools, colleges, group-housing societies in India and abroad. Our customers are a happy lot and we have obtained repeat purchase orders from several of them.

The best way to understand what it takes to be Edu Furnitures is to visit one of our plants and showrooms.

HOW DOES EDU FURNITURES WORK

As it is rightly said by Aristotle - "Pleasure in the job puts perfection in the work"; we love the work we do and with all the planning, dedication and perseverance we have within, we aim to put forward our best foot to you, every single time. Here is how we deliver to you, the product you desire.

3D IMAGES

The 3D images of the installation gives a realistic feel of the color combinations as well as the finishing expertise of furniture made. We also provide the 3D version of panoramic files and animations that gives a view of every aspect of our proposed installation which gives you a better view of the product promised by us. Knowing the product that is to be given beforehand, makes our work easier and focussed as to delivering exactly what our clients want.

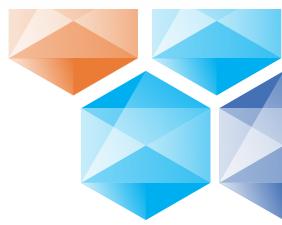

DESIGN & SPACE PLANNING

We design the project on CAD/CAM before getting into every little detail of the changes taking place as per the client's needs in terms of production. As designing is of prime importance to us for moving further to the manufacturing procedure, we pay heed to every detail mentioned by our clients. Space planning involves a procedure for making it durable as well as user-friendly for them.

REALIZATION & INSTALLATION

Any furniture – heavy, large or unassembled; our team of experts are always present to help our clients with all kinds of troubles and issues they may tend to face during the process of installation. Through our installation packages, they will have a good number of choices to choose from.
